

WANKSONS

CHEMICAL INDUSTRIES PVT. LTD.

Reliability

Quality

Efficiency

India's leading manufacturer and exporter of Chloral

About Us

Wanksons is a 35+ year old organization, successfully supplying Agro and Pharma intermediates all over the world. We are India's leading manufacturers of Chloral, operating our plant in Panoli, Gujarat. We are 100% committed to the satisfaction of our customers, the safety of our people and our world by adopting several environment protection mechanisms.

Our Philosophy is simple, and something our founder Mr. Navnitlal Wankawalla would abide by: *When we do what we say, trust is built.*

Vision and Mission

VISION

Be a leading **Agro, Pharma, Speciality, and dyes manufacturing company** globally by providing high quality products and world-class customer service

MISSION

How we do things is as important as what we do. We hold ourselves to the highest **ethics and integrity standards**. We prioritize **human and environment safety**.

Grow with us!

With Wanksons you can bank on: Reliability, Quality and Efficiency. Whether it is our existing products or we get into a partnership, we will work keeping our values, vision and mission in mind.

For CDMO/joint partnerships we have **23 cut outs of 2.5 x 2.5 mtrs.**

List of reactions we are masters of:

1. Chlorination
2. Friedel Crafts
3. Condensation
4. HTHV Fractional Distillation

Other Reactions:

5. Hydrolysis
6. Ethylation
7. Cyclization
8. Hydro Chlorination
9. Isomerization
10. Bromination
11. Hydrogenation

Pharma Intermediates

Sr. No.	Product Name	CAS No.
1	Trichloro Acetaldehyde / Chloral Anhydrous	75-87-6
2	Ethyl Chloride / Chloroethane	75-00-3
3	3'-Chloro Propiophenone	34841-35-5
4	2- Bromo 3-Chloro Propiophenone	34911-51-8
5	Propiophenone	93-55-0
6	3-Chloro Propinonyl Chloride	625-36-5
7	Propionyl Chloride	79-03-8
8	3-Methoxy Propiophenone	37951-49-8
9	2,4 Dichloro Phenol	120-83-2
10	2,6 Dichloro Phenol	87-65-0
11	Para Benzoquinone	106-51-4
12	Beta Chloro Propiophenone	936-59-4
13	Cyno Acetic Acid - - 70% & 90%	372-09-8
14	N,N- Dimethylformamide dimethyl acetal	4637-24-5

Dyes

Sr. No.	Product Name
1	Rhodamine B 540% (Basic Violet 10)

Dyes Intermediate

Sr. No.	Product Name
1	DEMAP - Diethy Meta Amino Phenol
